School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Washington is one of eleven elementary schools in Burbank Unified School District. The staff celebrates our diversity as strength. Students have an opportunity to learn, read, work and play together in positive and productive ways. A diverse student population, including hearing-impaired students and students with autism, enhances this school community.

Our goals are:

- 1) Acquire strong academic skills in all core curriculum areas; language arts, mathematics, social studies, science, fine arts and P.E.
- 2) Utilize technology to support learning
- 3) Achieve higher level thinking skills to become lifelong learners and productive citizens
- 4) Use critical thinking and problem-solving skills to make informed and responsible decisions; and
- 5) Develop a positive self-image based on a respect and understanding of the cultural diversity and contributions represented in our school, community and world.

It is our mission to empower all students to reach their academic, social and physical potential with the belief that all children can and will succeed

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
 *Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: January 2021

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Note: Assembly Bill X4 2 (Chapter 2, Statutes of 2009-10 Fourth Extraordinary Session) signed on July 28, 2009, suspended the process and procedures for adopting instructional materials, including framework revisions, until the 2013-14 school year.

School Facility Conditions and Planned Improvements

The facility is in Good repair. Normal maintenance and upkeep is being performed. No improvement project(s) are scheduled at this time. The District takes great efforts to ensure that all of its schools are clean, safe, and functional. To assist in this effort, the District uses the "Facility Inspection Tool" (FIT) developed by the State of California Office of Public School Construction. Deficiencies noted are referred to Facilities Services and/or the site for immediate correction. To review the complete results of this survey please visit Administrative Services at the District Administration Building. Note: classroom identification numbers (23 through 37) were re-distributed during modernization therefore previous reports may not be reflective of the same physical space.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	51	N/A	51	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

The Washington PTA, Booster Club, School Site Council (SSC), and English Learner Advisory Committee (ELAC) encourage and coordinate a wide variety of opportunities for parent involvement and volunteer opportunities. More information is available in the school office.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.0	0.8	3.0	2.7	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	305	2.5
Expulsions	0	2	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Each school in the district has developed a comprehensive school safety plan with two components. The complete plan can be seen on each school's website. At Washington Elementary, Component 1 "School's People and Programs" was addressed through the following activities: Continuing and expanding the use of PeaceBuilders program school-wide and in our community, Continuing and expanding the use of Peaceful Playgrounds program, Enhancing social and emotional development through group and individual counseling sessions (provided by Burbank Family Service Agency), reintroducing how to recognize, and report bullying behaviors on campus, and Connecting with 100% of our students and families.

Component 2 "School's Physical Environment" was addressed through the following: Providing a safe, secure, well-maintained environment for learning and playing.

District Wide Professional Development offered in 2020-2021 focused on utilizing technology to teach in a distance learning model. Modules were prepared for teachers to work through during preschool days with their grade level and subject area colleagues. Topics included:

- | | |
|---|-----------------------------|
| • Setting up a Google Classroom | • Kami Tutorial |
| • Developing Instructional Modules | • Mote Tutorial |
| • Creating Community in the Digital Environment | • School City Help Tutorial |
| • Supporting Special Populations | • Using the Google Suite |
| • Grading and Assessment | • Flipgrid |

These trainings are usually offered in a variety of formats, but due to the pandemic, all professional development this year was delivered through Zoom meetings, Webinars, pre-recorded sessions, and slide decks. Teachers meet together via Zoom/Google Meet weekly, either in department meetings, faculty meetings, or all staff meetings and focus on learning on of the new platforms used in distance learning. The District office also offers monthly virtual workshops on topics related to distance learning and bi-weekly tech newsletters inform teachers of new programs and give examples of teacher lessons.
